

The Bus and Coach Society of Victoria Incorporated

The Bus and Coach Society of Victoria aims to cater for all those who have an interest in road passenger transport in Victoria, in particular, and Australia more generally. This includes both present day operations as well as the history of current and past services. Current Society membership includes operators, enthusiasts, bus industry companies and historical groups.

The Society maintains photographic and other historical archives most of which have been digitised or are in the process of being digitised.

The Society has social meetings in May, July, September and November at the Hawthorn Tram Museum on Sundays at 3pm and also organises visits and tours to bus manufacturers, operators and other events for members.

The Society publishes Australian Bus Panorama 7 times a year. Six editions are bi-monthly publications which include activities around the states, recent deliveries and disposals, in full colour. The seventh publication is a Special at Christmas which is usually dedicated to one or two items only. In the past, company histories e.g. Ventura, Grenda, Ivanhoe BL, have featured. Membership of the Society is currently \$60 per year (\$45 for pensioners and under 18s). Forms can be obtained by contacting the Secretary.

The Society was founded in December 1968 and has about 160 members. A number of historical CDs featuring buses from the 60s, 70s and 80s have been published and are available through the BCSV, by contacting the Secretary at PO Box 33, Caulfield East, 3145 or by email bcsv@y7mail.com
